How to use Gift Aid

- Gift Aid allows charities to claim the basic rate of tax on every pound donated. That’s an extra 25p per pound!
- Ask every tax-paying donor to write their full details and tick the Gift Aid box to increase their donation at no extra cost. They must do this in their own handwriting so we can claim Gift Aid.
 - When you pay in the money you’ve raised, make sure you send us this form too.

* I have read this statement and have ticked the box headed 'Gift Aid' as confirmation that I am a UK Income Tax and/or Capital Gains tax payer. I want BYHP to reclaim tax on the donation detailed, given on the date shown. I understand that if I pay less Income Tax and/or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand NSPCC charity will reclaim 25p of tax on every £1 that I have given. We will only use the details that you have provided for the purposes of administering your donation and for claiming Gift Aid.
